Good News! Efforts to continue to plan for the publicity workshops have succeeded. I am pleased to inform you that Tom Debley of the University of California-Berkeley, Office of Public Information, will be the featured speaker for our San Antonio workshop. Mr. Debley worked with the Public Information Committee of the ICM-86 for more than one year assisting greatly with the exceptional media coverage of the Congress. You are all cordially invited to this workshop, details of which are on the enclosed announcement.
