Dr. Kenneth A. Ross, Secretary
The Mathematical Association of America
Department of Mathematics
University of Oregon
Eugene, Oregon 97403-1222

Dear Dr. Ross:

I have decided that I would like to have Alan Schoenfeld speak at the Spring meeting of the Rocky Mountain Section of the MAA. The meeting is to be held on April 24-25, 1987 at the University of Southern Colorado in Pueblo, Colorado. If Alan Schoenfeld is not available, then I would be interested in having Donald Kreider speak.

Please let me know if either of the above are available at that time. Judging from your letter, I assume that you will contact Alan Schoenfeld and/or Donald Kreider initially, and that I will contact them later about the subjects of their talks. Is that correct?

Also, it is my understanding that this year the Rocky Mountain Section is able to nominate a person for the Section Meritorious Achievement Award. When are the nominations due? We have already sent out a call for nominations from our section representatives but have no information on deadlines or on the process and procedures that follow after we decide our nominee. Information on this would definitely be appreciated.

Thank you for your assistance in these matters.

Sincerely,

Frieda Koster Holley
