

Two new faculty have been added to the Department. Dr. Annette J. Cooper has her Ed. D. from Oklahoma State university and has had extensive experience teaching in Oklahoma. Colleges there include the University of Science and Arts of Oklahoma at Chickasaw and Central State University. She has had considerable experience in private business as well, most recently being employed by David H. Seeger and Associates in Oklahoma City.

Mr. Robert P. Roe joins us from the University of Wyoming, where he is currently a doctoral student. He has taught public school in Wyoming and has already earned degrees from the University of Colorado in Boulder and the University of Wyoming. His dissertation is in the area of Topological Dynamics and is being directed by Dr. Marcy Barge, who himself is a graduate of Fort Lewis. Most recently, Mr. Roe has been a Lecturer at Montana State University.
