Dear Bill,

I received this bill for services provided by 'Servo-Mation' for the M.A.A. meeting. I pass it on to you as treasurer of the Rocky Mountain Sectional. Below is a breakdown of costs by item.

Friday (April 24) Refreshments	\$74.25
Horsd'oeuvres (April 24)	52.00
Banquet @ \$12.00 per person	1080.00
Breakfast (April 25) 10 @ \$4.65	46.50
Refreshments (April 25)	66.88
	<hr/>
	\$1320.13

I think that there is a discrepancy in the banquet cost. I recall the cost as \$11.50 per person - not \$12.00. I have checked with the food service. They had an increase in price from \$11.50 to \$13.10 but they only charged us \$12.00. I actually signed a committment form at the price of \$12.00 in November but didn't realize that the price had been changed. I submit we pay the bill as we have received it. If you communicate to me that we will not, then I'll begin negotiating for the \$11.50 price - I'm not certain I can do so successfully.

Have a good summer.

Respectfully,

Gilbert F. Orr, Chair
Department of Mathematics
