Dear Bill:

I sent you a letter, dated Dec. 9, 1986, requesting \$200 from the section to be used for supplies to advertise the section short course which I will be running this coming summer. Bill Lucas has agreed to teach the course - it will be from July 13 to July 17. I need to get advertisements made out & sent soon, so would you send a check immediately. Please make the check out to Fort Lewis College M.A.A. Short Course & send it to me. Thanks.

Let me know when the next newsletter will be sent and so I can have a governor's report & advertisement for the course in the newsletter.

Sincerely

Sony Jefferson
