

Rocky Mtn. Section Short Course.

The first Rocky Mountain Section sponsored short course was a resounding success. The short course on discrete math ~~was too~~ was presented by Professor Bennet Manuel of Colorado State University. Held ~~on the campus of Fort Lewis College~~ ~~from July 22-25, 1986~~. Twenty seven participants from Colorado, Wyoming, Montana, Idaho, Nebraska, Kansas, Texas, North Carolina and New Hampshire ~~were~~ ^{attended} the ~~course~~ ^{courses} which was held at Fort Lewis College ~~from July 21-25, 1986~~ ¹⁹⁸⁶. ~~The course was a success from the~~ ~~Prof. Manuel~~ ~~held~~

~~excellent~~ ~~will~~ ~~is~~ ~~presenting~~

A ^{second} short course is planned for the summer of 1987 at Fort Lewis College. While the dates and topic have not been ~~completely~~ ~~set~~ ~~yet~~, finalized, I ~~have~~ ~~discussed~~ believe the topic will be on mathematical modeling - perhaps discrete models. ~~Once~~ ~~when~~ plans are finalized, I will send information to everyone in the Section.
