Dear Dr. Doran:

I apologize for not writing you sooner. Thank you very much for agreeing to participate in the MAA panel on "Articulation Agreements and the Transfer of Mathematics Credits." I have enclosed some of our newsletters as well as a letter from the Program Chairman, Dr. Gilbert Orr.

Again, thank you for graciously assenting to help us with our program. Your expertise in this area will certainly contribute to the success of the panel.

Sincerely,

Frieda K. Holley, Chair
Rocky Mountain Section of the
Mathematical Association of America
