## MEMORANDUM

TO: MAA Section Secretaries

FROM: Ken Ross, Secretary

As you no doubt know, the national MAA will supply a speaker for one sectional meeting per year, i.e., will pay his or her travel and living expenses. The purpose of these visits is to have these speakers help keep the sections informed about the activities at the national level and also to allow the sections to get input back to our officers and central governing committees.

I request that you decide on a speaker and that you contact them. I am available for help, however. In particular, a good strategy is to first contact me for suggestions because we keep a file so that we can quickly determine which speakers are available and which speakers have spoken at your section recently. Let me know when you have secured a speaker. The current list of available speakers is:

Leonard Gillman, President  
Lynn A. Steen, Past President  
Ivan Niven, Past President  
Henry Alder, Past President  
Richard Anderson, Past President  
Henry O. Pollak, Past President  
Deborah T. Haimo, First Vice-President  
Ann E. Watkins, Second Vice-President
