Dec. 20, 1990

(NAME)

Dear (xxxxx)

I am in the process of putting together the newsletter and would appreciate your taking a few minutes to fill out the following sheet and mailing it back to me by January 15.

The Rocky Mountain Section of the MAA is quite spread out, so some mention of local news is a welcome way to keep in touch a few times during the year. Thus, I plan to have some information about a few colleges or universities in each issue of the section newsletter. To achieve this, I am requesting a direct response from you at this time. Of course, whenever you have information you would like included, I'll try to fit it in. However, at the moment there is a dearth of such information. Hence, a response would be appreciated. The news of your department does not need to be only of members of the MAA.

Sincerely,

William C. Ramaley,  
Secretary/Treasurer  
Rocky Mountain Section  
Math. Assoc. of America
