none

7. The September issue of FOCUS is designated as "FOCUS on Sections" and will contain at least one or two paragraphs about the activities of each Section. For example, see last September's issue. What would you like to see highlighted in the paragraph(s) about your Section and its activities?

Articulation with NCTM and standards for HS mathematics is a particular concern of the section.

8. National Program Committees and the Program Committees of other Sections are always looking for good speakers and topics. We would like to provide a list of the best Section presentations to both groups. Who was the best speaker in your Section this year, and what was the topic?

I can't say.

9. The Committee on Sections is charged with providing aid, leadership, and other forms of help to the Sections. What can we do to help you? What services would you like to see us provide?

*Our section discussed having the national charge ~~as a~~ section-card fee for our activities. We understand that unlike Sigma Xi, this is not possible. How well do voluntary self-assessment work?*
